00-00117

Darrell:

Per our phone conversation (5/3/00), this e-mail serves as an official request for the Tennessee Regulatory Authority to grant Pathnet, Inc. an extension in order to fully respond to the "Information Request" sent by the TRA on 4/27/00. I understand that upon receipt of this e-mail, the extension is automatically granted.

Thank you for your assistance in this matter.
